Objective

I am seeking a graphic design position in a studio or firm that will allow me to grow my skills as a designer. I work well within a team and have excellent communication and time management skills.

Education

Academy of Art University
MA, School Graphic Design 2019-2022

Manhattanville College
Bachelor in Communication 2019-2022

Experience

Assistant Manager, FedEx, 2020-2021

Supervised team members while overseeing large printing jobs, from editorial design to offset printing adjustments. Proficient in Adobe Suite for curating new designs and creating mock-ups for customer review, while working with small businesses to develop and print short-term signage and long-term production.

Internship, Project DragonFruit, June-August 2017

Worked closely with head designer to create stickers and fliers for upcoming conference to distribute to customers. This internship allowed me to utilize Photoshop and Illustrator for design mock-ups and touch-ups.
